Microsoft — [Power BI Data Analyst Associate](#) , 2022

## About me

I'm a data analyst who enjoys turning messy datasets into clear stories.

**What I bring:**

- 6+ years of analytics experience

- Strong SQL and Python skills
- A habit of asking *why* before building any dashboard

~~Perfectionist~~ Detail-oriented, with a bias toward shipping.

1. Discover
2. Analyze
3. Visualize
4. Iterate

## Hobbies

---

1. Chess
2. **Cycling**
3. Board game design
