Faculty of Arts and Science, Statistics

Courses

- Data Analysis with Python — IBM (Coursera) , 2020
- Power BI Data Analyst Associate — Microsoft , 2022

About me

I'm a data analyst who enjoys turning messy datasets in stories.

What I bring:

- 6+ years of analytics experience
- Strong SQL and Python skills
- A habit of asking *why* before building any dashboard

~~Perfectionist~~ Detail-oriented, with a bias toward shipping

1. Discover
2. Analyze
3. Visualize
4. Iterate

Hobbies

1. Chess
2. **Cycling**
3. Board game design
