Skills

- SQL — Expert
 - Python — Experienced
 - Power BI — Expert
 - Excel — Expert
 - Tableau — Skillful

I'm a data analyst who enjoys turning messy datasets into clear stories.

What I bring:

- 6+ years of analytics experience
- Strong SQL and Python skills
- A habit of asking *why* before building any dashboard

~~Perfectionist~~ Detail-oriented, with a bias toward shipping.

1. Discover
2. Analyze
3. Visualize
4. Iterate

Hobbies

1. Chess
2. **Cycling**
3. Board game design
